Nebraska Family Caregiver Support

LIFESPAN RESPITE NETWORK

WE CARE FOR THOSE WHO CARE FOR OTHERS

What is Respite?

- Respite is a temporary break for family caregivers caring for a loved one with a special need.
- Respite allows the family caregiver time away to care for their personal needs.

What is the Nebraska Lifespan Respite Network?

- Statewide caregiver and provider help.

How do I access Respite information?

- Simply call the toll-free number listed below. No matter where you are in the state of Nebraska, you will be connected to a Respite Coordinator with information for your area.

Interested in Becoming an INDEPENDENT PROVIDER?

Do you enjoy setting your own hours?
